Introduction

Welcomed to **The OzBoy File – The Truth About The Norway Terrorist Attack**, in this book as all our books from **The Ozboy File** collection we will prove this was a False Flag Terrorist Attack, carried out by MI6 & The Israeli Mossad, in conjunction with a number of Norway's own Police and Intelligence people.

This should send shivers up everybody spine now and proves what we here at **The OzBoy File**, have thought for a while, that most Western Countries Police, Military and Intelligence Services are infiltrated, corrupted and controlled by these (Terrorist Intelligence Agencies).

You should take note of a few things as you read and compare it against the flood of stories the American Media released and were running when and as this Terrorist Attack was going down.

- A) US President Barack Obama tried to use these Terror Attacks to justify America being involved in 5 Wars about the World, referring the Terrorist Attacks back to Al Qu`eda Terrorist they were after and killing overseas.

***** News Alert Obama, NO Al Qa`eda or Muslims were involved in this Attack, only a Christian Pro Israeli Zionist white skinned guy.

- B) The American CIA released to the American Mainstream Media, and Western Media a Fake made up on the spot False Terrorist Group name who are suppose to be stationed in Europe.
- C) The American CIA then released to the American Mainstream Media, Western Media a Fake – False statement claiming this Muslim “Al Qa`eda” like group took responsibility for the Terrorist Attack.

***** News Alert again NO Muslim or Al Qa`eda Terrorist like Group were found involved in these attacks and all those Fake – False reports turned out to be wrong.

Not only did they turned out to be wrong, but proven now to be deliberate lies, propaganda stories to support America and their stupid allies and NATO countries fighting a fictional “War On Terror” battle against non – existent Muslims Al Qa`eda Terrorist Groups.

Oh Me! - Oh My! - Oh Shit!

Thank you to all concerned, walk into my spider web said the Spider to the Fly and these dopes walked right in, with their lies, deception, propaganda and Fake released stories, there is NO getting out of it now you have all proven “The War On Terror” to be as fake as a \$3.00 bill.

- D) The Zionist entity has now officially shown their dirty hands and how they think, anybody it would seem that supports the Palestinians with their own homeland, country, and state these Zionist murdering goons will murder.
- E) Any country that Boycotts Israel and that Zionist murdering country will be murdered, attacked.
- F) It also show the hand of the Globalist too, they have Norway in their sights to steal that country's wealth to prop up the failing Fiat Banking System which is starting to crumble all about the World.

Just a few points to remember as you read the following stories which we collected for you about the Internet so as to give you the reader an in depth – up front look at really what happened in Norway.

But first before we begin, we should once again educate readers about False Flag Terrorist Attacks, so please read the following first so you understand how they pull them off.

What is False Flag Terrorism?

<http://dictionary.reference.com/browse/Terrorism>

The unlawful use or threatened use of force or violence by a person or an organized group against people or property with the intention of intimidating or coercing societies or governments, often for ideological or political reasons.

Understanding False Flag Terrorism

False Flag Attacks are basically Population Control measures, put into place they install fear and makes any subject or population easy to control.

Definition: - False Flag Terrorist Attack

False Flag operations are covert operations which are designed to deceive the public in such a way that the operations appear as though they are being carried out by other entities.

The name is derived from the military concept of flying false colours that is, flying the flag of a country other than one's own.

False flag operations are not limited to war and counter-insurgency operations, and have been used in peacetime for example, during Italy's strategy of tension.

Basically there are two ways to pull off a False Flag Terrorist Attack

1) Recruit a small team to carry off the attack, this way is very risky because they leave their fingerprints behind which stand out like dogs balls to experienced researchers and investigators.

The real perpetrators are easier to identify, point out and expose, and makes it easier also to trace back to the higher ups that ordered, sanction the attacks to go ahead.

E.G Corrupt Politicians, Military People and Intelligence Chiefs.

2) The other way in which to carry off a False Flag Terrorist Attack is doing it under cover of running some Police, Military Drill this way is more effective, the real perpetrators are harder to identify point out, thus harder to have it traced back to the higher ups the chain who ordered and sanction the attacks.

E.G Corrupt Politicians, Military People and Intelligence Chiefs.

They hide their finger prints within by carrying out the False Flag Attack at the same time, same place as running Police & Military Drills thus hiding out amongst 100's even thousands who are participating in the Drills.

In many cases your really recruiting others in the operation of doing the attacks and little do people realize they have just helped the real perpetrators carry off the attacks and have been the saps.

There is another reason why the real perpetrators carry off attacks at the same time as running drills and that's to stop the countries Police, Military and Intelligence Agencies from fighting back and doing their job from letting these attacks from going ahead.

This is where we catch them every time when doing our research and investigations and how we know something is a False Flag Terrorist Attack they carry them out while running these drills.

The chances of a Terrorist Attack happening at the same time, place as a drill going on is 13 pass a trillion odds of it happening, so coincidence cannot be explained away that easy.

Sit back and enjoy reading **The OzBoy File – The Truth About The Norway Terrorist Attack.**

Chapter 1

Norway Premier “Begged” Putin To Stop Massacre Planned By “Elites”

A startling Federal Security Service (FSB) report on the 22 July massacre in Norway states that two-days prior to this catastrophic attack Norwegian Prime Minister Jens Stoltenberg placed an “urgent” call to Putin “begging” Russia’s leader to help stop the events that left nearly 100 innocent civilians dead.

According to the FSB, Stoltenberg first learned of this plot against his country this past Wednesday after reading a “top secret” report prepared for him by the Norwegian Intelligence Service (NIS) on the late March computer attack against Norway’s top military leaders that showed them involved in a conspiracy with Britain’s MI5 Security Service and the United States Central Intelligence Agency (CIA) to launch a “two-phase” attack upon Norway modeled after false-flag operations in both Australia and America in the mid-nineties.

The false-flag operations being modeled in Norway were based on the 19 April 1995 bombing attack on the Oklahoma Alfred P. Murrah Federal Building said caused a lone right-wing Christian fundamentalist who used a fertilizer bomb that killed 168.

And the 28 April 1996 Port Arthur massacre in Australia where a lone gunman killed 35 mainly because the police failed to show up in a timely manner.

And which the aftermath of both attacks caused a fundamental shift away from freedoms and liberties these peoples once enjoyed.

The FSB further reports that this false-flag attack on Norway was a “clear textbook example” of an Operation Northwoods operation designed and prepared by US Military experts.

Operation Northwoods was a series of false-flag proposals that originated within the United States government in 1962.

The proposals called for the CIA or other operatives, to commit acts of terrorism in US cities and elsewhere in order to influence public opinion and have been used by many Western governments over these past five decades.

FSB experts note in this report that the false-flag attacks on Norway further mirror those of Oklahoma City and Port Arthur in:

- 1.) A large vehicle holding a powerful fertilizer bomb was able to gain undetected entrance to a protected government center
- 2.) The armed police response to an ongoing massacre of civilians was delayed for reasons still not explained

3.) A lone suspect has been identified as the sole perpetrator of the attacks contrary to witness statements that more people were involved

4) The lone suspect is denied the right to an open hearing before the public.

This report also notes that within hours of these attacks occurring, a “virtual flood” of information relating to the suspected mastermind of this massacre was released identifying him as a “blond-haired blue-eyed” Norwegian named Anders Behring Breivik and caricatured as a right-wing Christian fundamentalist.

A person which (coincidentally?) the United States had warned barely 24-hours earlier in a video released by their Department of Homeland Security (DHS) was the type of person they feared most would carry out such a terror attack.

The critical problem with the flood of information being released on/or by Breivik, the FSB asserts, is to what is true and what isn't.

This issue was made even more important by American computer experts noting that the Facebook page said belonging to Breivik appears to have been faked, and as they note

1: Why is there a version of Anders Behring Breivik's Facebook profile not showing Christian / Conservative?

Even Google's cache of the Facebook profile retrieved on Jul 22, 2011 23:52:36 GMT supports this factor.

2: How was Christian / Conservative added prior to the profile being removed from Facebook?

If our PDF was printed out / saved at Jul 23 01:39 GMT, and the profile was deleted soon afterwards by Facebook, how was a detained Anders Behring Breivik able to change it?

3: Which then needs to be asked, Who had access to in changing the Profile before it was removed?

Aside from the "most likely" faked Facebook page, Breivik is also said to have posted an astonishingly detailed 1,500-page manifesto and video titled.

"2083: A European Declaration Of Independence"
datelined "London, 2011" on the Internet that claims "the number of Muslims in Western Europe is "reaching critical mass" and there is a core of Cultural Communist elites in Western Europe who really want to destroy Western civilization" and that "Europe will burn again."

Breivik further said he regarded himself as a successor to the medieval Knights Templar, and claimed to have been recruited at a meeting in London in April 2002, which was hosted by two English extremists and attended by eight people in total.

Breivik's ties with London, and hence MI5, was due to his father being a top economist at the Norwegian Embassy in London where Anders was described as a "mummy's boy" and "privileged" son of an elite liberal family.

[Especially interesting to note about this description of "mummy boy" Breivik is his stating that the main target of his attack was Norway's "Mother of the Nation" and former Prime Minister Gro Harlem Brundtland.]

The FSB, however, in this report disputes Breivik's ties with the Knights Templar stating, instead, that this false-flag attack has provided an "ancillary benefit" to the West's royal and banking elite classes in discrediting this ancient order as "open warfare" between them looms, and as we had detailed in our 21 July report "Murdoch Threat To Expose Obama As "Christ-Child" Ignites Western Fury."

To the reason(s) behind this attack, this FSB report states, is a "desperate attempt" by British, European Union and American banking interests to force Norway into their "union"

[Norway is not a member of the EU] in order to loot their Sovereign Wealth Fund of its estimated \$1.5 Trillion in wealth which without the entire Western economy may collapse.

Important note, the FSB says, is that what is being done to Norway has already been done to Libya when in what is now called the "Financial Heist of the Century" these same elites launched an unprovoked attack upon this North African nation and promptly looted it of nearly \$150 Billion of their Sovereign Wealth Fund in order to sustain their crumbling empire. Though there is more, much more, contained in this FSB report that we will have to examine further in order to report to you on it accurately upon it.

So, and in closing this first report on this tragedy we'll end with some of the words attributed to Breivik that in light of what this whole issue is being made out to be do, indeed, note us paying attention to them:

"A majority of the people I know support my views, they are just apathetic.

They know that there will be a confrontation one day, but they don't care because it will most likely not happen within the next two decades I am a pioneer in this fight, and I have no doubt whatsoever that we will see a political shift in our favor sooner than we might expect.

It might look grim at the moment, but we are after all fighting a self-defeating ideology (Cultural Communism that is, not Islam). The only pragmatic approach towards Islam is to isolate it to Muslim countries once we are in a position to do so — on September 11th, 2083."

Chapter 2

Oslo Terror Whose Agenda Does It Serve?

Bombing of government building and mass shooting arrive as establishment seeks to manufacture “white Al-Qaeda” myth

UPDATE: Oslo Police Conducted Bombing Exercise Days Before Terrorist Blast

Today’s bombing in Oslo and a related mass shooting that occurred just outside the Norwegian capital are already replete with inconsistencies and questions that demand further inquiry into whose agenda this deadly attack serves.

Authorities have already said that the man who carried out the shootings at a youth camp in a nearby resort has direct ties to the earlier bombing in Oslo of a government building.

- An eyewitness to the blast who was just 200 feet away from the explosion called into the Alex Jones show and stated that there was a “bomb sweep” of the area the day before the attack. Norwegian television also reported this story.

- According to a Norwegian who emailed us, his father who is an explosives expert has analyzed the bombing scene and states that due to the pattern of the damage and debris, the blast was clearly underground.

There are also reports that the road was closed off in recent days for underground sewer works.

This is inconsistent with the official story that the blast was caused by a car bomb.

- Friday was a public holiday in Norway and the building that was bombed was largely empty, which is why only seven people died.

The Daily Mail reports, "Fortunately, it is a public holiday in Norway and the offices are less busy than a normal weekday."

Why would "terrorists," who presumably want to kill as many people as possible, choose to bomb the building on a day when they know it will be almost empty?

- Reports that the culprit of the mass shooting at a Labour youth camp outside Oslo, who early indications show killed at least 25 people, was a blonde-haired Norwegian man, fit perfectly into the recent propaganda campaign to hype the "white Al-Qaeda" as the most deadly terror threat.

Self-proclaimed security experts quoted by Reuters are already predicting the blame will "fall on both Islamists and right-wing extremists," in some form of alliance that led to a "hybrid assault," which in and of itself is a ludicrous notion but does serve to link anti-government sentiment amongst the host population with Muslim terrorism, which has been the goal all along.

- As Kurt Nimmo reports, the man accused of leading the group blamed by some for the bombing, Mullah Krekar, has had dealings with the CIA previously, having been approached to work with them in 2005.

Members of Krekar's group, Ansar al-Islam, are veterans of the CIA-ISI collaborative war against the Soviets in Afghanistan.

- Is the attack a slap on the wrist for Norwegian meddling in the globalist agenda?

Norway is not a member of the European Union and its recent actions will have undoubtedly angered many of the power players amongst the global elite within that inner circle.

Specifically, Norway's support for full Palestinian statehood, set to be voted on at the UN in September, Norway's decision to reverse its support for the bombardment of Libya and withdraw completely from the NATO operation on August 1, and Norway's move to freeze a \$42 million dollar payment to Greece, an obvious hindrance to recent efforts to prop up the country's dire debt crisis, are all massive issues that could have caused a fall out between Norway and the Anglo-American establishment.

Chapter 3

Evidence Shows Norway Terror Attack a False Flag

Prior to the events in Norway, the Department of Homeland Security released a propaganda video characterizing white middle class Americans as terrorists and members of white al-Qaeda, a term designed to conflate the image of the CIA-created Islamic terror group and “rightwing extremists” in America.

The DHS video is part of the government’s “See Something, Say Something” mass hysteria campaign and follows its report leaked to the media in 2009 designating libertarians and Second Amendment advocates as terrorists and right-wing extremists.

The alleged perpetrator in the Norway bombing and shooting is being described as a right-wing extremist who was a former member of a popular political party that regards itself to be a “libertarian people’s party” with an ideology based on classical liberalism.

Anders Behring Breivik was at one time a member of the Progress Party, according to news reports.

He was a member from 2004 to 2006 and in its youth party from 1997-2006 through 2007.

The Progress Party platform preamble identifies the organization as populist libertarian and its main declared goal as a reduction in taxes and government intervention.

The CFR says the Progress Party and similar political parties in Sweden and Finland represent a European Tea Party movement on the rise.

In the U.S., the Tea Party has opposed government bailouts to the banksters and has called for ending the Federal Reserve.

The EU, the IMF and the international bankers are worried about growing populism in Europe.

“Rising political populism around Europe, driven by public anger over the impact of the financial crisis, threatens to make solving the euro zone’s debt woes increasingly difficult,” Reuters reported in April.

Millions of Europeans are opposed to raiding their treasuries to pay for debt contrived by the bankers and have turned in large numbers to political parties such as the True Finns.

The True Finns’ main campaign plank is opposition to funding a bailout for Portugal.

In April, the Finnish party emerged from relative obscurity and moved into the political limelight. Its sudden popularity took the European establishment by surprise.

The false flag attack in Norway arrives as populism grows in Germany, Europe’s reluctant paymaster for the contrived debt-based economic crisis. Establishment politicians in Germany have balked at a second bankster bailout.

"We did it once, and we cannot do it a second time, we simply can't," said Jochen Sanio, head of the German financial market watchdog BaFin.

Sanio said if the government raided the German treasury again the "taxpayers would come and hang all of us."

The EU and the European political establishment are beholden to the bankers and their "free market" – as in free to loot and plunder – neoliberal policies and have now pulled out all the stops in an effort to crush resistance to endless bailouts designed to crash local economies and destroy national sovereignty.

It is no mistake the corporate media is comparing Anders Behring Breivik to Timothy McVeigh.

Hours after the terrorist attack, Norway's public broadcaster NRK cited Tore Bjørgo at the Police College in Oslo who said the attack resembled the bombing of the federal building in Oklahoma City.

The 1995 attack blamed on Timothy McVeigh killed 168 people.

Bjørgo mentioned *The Turner Diaries*, the "anti-government" novel written by William Luther Pierce, the former leader of the white nationalist organization National Alliance.

The novel was introduced as evidence during the trial of Timothy McVeigh, the government agent patsy set-up to take the fall for the bombing.

The Oklahoma City bombing was a false flag event used to roll out several draconian aspects of the police state in the 1990s.

Following the attack, Congress passed at the behest of then president Clinton a number of national security proposals that built the foundation and established antecedents for the PATRIOT Act in response to the staged attacks of September 11, 2011.

In addition to establishing a basis for so-called anti-terror legislation, the Oklahoma City bombing was used to demonize the patriot movement that formed in response to the brazen government attack on the Branch Davidians at Waco on April 19, 1993.

False flag attacks followed by intense propaganda campaigns are one of several methods used by government to neutralize political opposition.

Breivik is obviously a patsy for a Gladio operation to destroy political opposition to the bankers.

Operation Gladio was a "strategy of tension" devised by the elite that employed terrorism – assassination and bombings – to discredit political opponents in Europe.

It was set-up by the CIA and staffed in part with former members of Mussolini's secret police.

In the days ahead, we can expect more false flag terror events.

These will be used by the corporate media to portray opponents to the bankster scam as child killing terrorists.

For the global elite, mass murder blamed on political opponents is a legitimate tool in the plan to take down national economies and install a one-world totalitarian government and banking system run in neofeudal fashion.

Chapter 4

Organized Political Terrorism - The Norwegian Massacre, The State, The Media And Israel

"So let us fight together with Israel, with our Zionist brothers against all anti-Zionist against all cultural Marxists / Multiculturalists". Anders Behring Breivik's Manifesto

". . . two more cells exist in my organization". . . Ander Behring Breivik in police custody (Reuters 7/25/11)

The July 22, 2011, bombing of the office of the Norwegian Prime Minister, Labor Party Jen Stoltenberg, which killed 8 civilians, and the subsequent political assassination of 68 unarmed activists of the Labor Party Youth on Utoeya Island, just 20 minutes from Oslo, by militant neo-fascist Christian-Zionists, raises fundamental questions about the growing links between the legal Far-Right, the 'Mainstream Media', the Norwegian Police, Israel and rightwing terrorism.

The Mass Media and the Rise of Rightwing Terrorism

The leading English language newspapers, The New York Times (NYT), the Washington Post (WP), the Wall Street Journal (WSJ) and the Financial Times (FT), as well as President Obama, blamed "Islamic extremists", upon the first police reports of the killings.

Publishing a series of incendiary (and false) headlines and reports, labeling the event as 'Norway's 9-11' in terms, which echoed the ideological motivation and justifications cited by the Norwegian Christian-Zionist political assassin, Anders Behring Breivik himself.

The July 23 / 24 front page of the Financial Times (of London) read "Islamist Extremism Fears Worst Europe strike since 2005".

Obama immediately cited the terrorist attack in Norway to further justify his overseas wars against Muslim countries.

The FT, NYT, WP and WSJ trotted out their self-styled "experts" who debated over which Arab / Islamic leaders or movements were responsible despite Norwegian press reports of 'the arrest of a Nordic man in police uniform'.

Clearly, the US mass media and political elite were eager to use the bombing and assassinations to justify ongoing overseas imperial wars, ignoring the burgeoning domestic extremist rightwing organizations and violent individuals who are the outgrowth of official Islamophobic hate propaganda.

When Anders Breivik, a known neo-fascist extremist, handed his weapons over to Norwegian police without resistance and claimed credit for the bombing and massacre, the second phase of the official cover-up took place.

He was immediately described as "a lone wolf assassin", who "acted alone" (BBC July 24, 2011) or as mentally deranged, downplaying his political networks, his American, European and Israeli ideological mentors and commitments, which led to his acts of terrorism.

Even more outrageous, the media and officials ignored the fact that this complex, multiphase terrorist attack was beyond the capacity of one 'deranged' person.

Anders Behring Breivik had been a dues-paying member of a Far-Right political party, The Progress Party and a collaborator and contributor to an overtly neo-Nazi web site.

He frequently focused his hatred on the ruling Labor Party for its relative tolerance of immigrants.

He despised immigrants especially, Muslims, and was an ardent Christian-Zionist supporter of Israeli repression and terror against the Palestinian people.

His criminal action was political in essence and embedded in a much wider political network.

The political elite and media have scrambled to deny the overlapping links between 'legal' ideological Islamophobes, like the American Zionists Daniel Pipes, David Horowitz, Robert Spencer and Pamela Geller, the Dutch far-right Party of Freedom led by the hate-monger Geert Wilders and their counterparts in the Norwegian Progress Party who rail against the "Muslim threat".

The "direct action" terrorists take their cues from electoral parties, like the Progress Party, who recruit and indoctrinate activists, like Behring Breivik, who then leave the 'electoral road' to carry out their bloody carnage, allowing the 'respectable' hate-mongers to hypocritically condemn him after the outrage.

The Lone Assassin: A Fascist Superman Travels Faster than a Speeding Bullet Versus the Police Moving Slower than an Arthritic Turtle

The case for the "lone wolf terrorist" defies credence.

It is a tissue of lies used to cover up state complicity, intelligence malfeasance, and the sharp right-turn in the domestic and foreign policies of NATO countries.

There is no basis to accept Breivik's initial claim that he acted alone for several outstanding reasons

First, the car bomb, which devastated downtown Oslo, was a highly complex weapon requiring expertise and coordination the kind available to state or intelligence services, like the Mossad, which specialize in devastating car bombs.

Amateurs, like Breivik, with no training in explosives, usually blow themselves up or lack the skill required to connect the electronic timing devices or remote detonators (like the unsuccessful 'shoe', 'underpants' and 'Times Square' bombers have proved).

Secondly, the details of

- (a) Moving the bomb
- (b) Obtaining (stealing) a vehicle
- (c) Placing the device at the strategic site
- (d) Successfully detonating it
- (e) Then gowning up in an elaborate special police uniform with an arsenal of hundreds of rounds of ammunition and driving off in another vehicle to Utoeya Island
- (f) Waiting patiently while armed to the teeth for a ferry boat
- g) crossing with other passengers in his police uniform
- (g) Rounding up the Labor youth activists and commencing the massacre of scores of unarmed youth and finally
- (h) Finishing off the wounded and hunting for those trying to hide or swim away - is not the activity of a lone zealot.

Even the combination of Superman, Einstein and a world class marksman could not perform those tasks.

The Media and NATO leaders must view the public as passive morons to expect them to believe that Anders Behring Breivik "acted alone".

He is willing to take a 20 year prison sentence if it means, as he maintains, that their collective action is the spark that ignites his comrades and advances the agenda of the violent and legal far rightwing parties.

Facing a Norwegian judge on July 25, he publically declared the existence of "two more cells in my organization".

According to witness testimony from Utoeya Island, shots from two distinct weapons were heard from different directions during the massacre.

The police say they are "investigating".

Needless to say the police have found nothing instead they put on a "show" to cover their inaction by raiding two houses far from the massacre and quickly released the suspects.

The most serious political implication of the terrorist action, however, is the conspicuous complicity of top police officials.

The police took 90 minutes to arrive at Utoeya Island, located less than 20 kilometers from Oslo, 12 minutes by helicopter and 25 to 30 minutes by car and boat.

The delay allowed the right wing assassins to use up the ammunition, maximizing the death toll of young, anti-fascist activists and devastating the Labor youth movement.

The police chief, Sveinung Sponheim, made the feeblest excuse and cover-up, claiming "problems with transport". Sponheim argued that a helicopter "wasn't on standby" and they "could not find a boat" (Associated Press, July 24, 2011).

Yet a helicopter was available it managed to fly to Utoeya and film the ongoing slaughter, and over half of Norwegians, a seafaring people for millennia, own or have access to a boat.

A police force, faced with what the Prime Minister calls the 'worst atrocity since the Nazi occupation', moving at the pace of an arthritic turtle to rescue youth activists, raises the suspicion of some level of complicity.

The obvious question arises as to the degree to which the ideology of right wing extremism neo-fascism has penetrated the police and security forces, especially the upper echelons?

This level of "inactivity" raises more questions than it answers.

What it suggests is that the Social Democrats only control part of the Government the legislative, while the neo-fascists influence the state apparatus.

The plain fact is that the police did not save a single life.

When they finally arrived, Anders Behring Breivik had run out of ammunition and surrendered turning himself over to the police.

The police literally did not fire a single shot they did not even have to hunt or capture the assassin.

An almost choreographed scenario Hundreds wounded, 68 unarmed, peaceful activists killed and the Labor youth movement decimated.

The police can claim "crime solved" while the mass media prattles about a "lone assassin".

The far right has a "martyr" to mask a further advance in their anti-Muslim, pro Israel crusade.

(It is reminiscent of the celebrated Israeli-American fascist mass murderer, Dr. Baruch Goldstein, who slaughtered dozens of unarmed Palestinian men and boys at prayer in 1994).

Only two days before the political murders, the head of the Labor Party Youth Movement, Eskil Pederson, gave an interview to the Dagbladet, Norway's second largest tabloid, in which he announced a "unilateral economic embargo of Israel from the Norwegian side (Gilad Atzmon, July 24, 2011).

The fact of the matter is that the Norwegian military has no problem promptly dispatching 500 troops to Afghanistan, half way around the world and providing six Norwegian Air Force jets and pilots to bomb and terrorize Libya.

And yet they can't find a helicopter or a row boat to transport their police a couple hundred yards to stop a domestic right wing terrorist whose murderous rampage was being described second by second by the terrorized young victims on their cell phones to their frantic parents?

The Imperial Roots of Domestic Fascism

Clearly, the decisions of Norway and other Scandinavian nations to participate in the US imperial crusades against Muslim and especially Arab people in the Middle East have aroused and energized the neo-fascist right.

They now want to "bring the war home" they want Norway to go further, to 'cleanse the nation' by expelling Muslims.

They want to "send a message" to the Labor Party Either it must accept a full neo-fascist pro-Israeli agenda or expect more massacres, more elected fascists, more followers of Anders Behring Breivik.

The "Progress Party" is now the second largest political party in Norway.

If a "conservative" coalition defeats Labor, neo-fascists will probably sit in the Government.

Who knows, after a few years of good behavior, they might find an excuse to commute their ex-comrades sentence . . . or proclaim him mentally rehabilitated and freed.

Clearly what is needed is the immediate withdrawal of all troops from imperial wars and a systematic, coherent and organized fight against domestic right-wing terrorists and their intellectual godparents, in America, Israel and Europe.

Labor youth must go press on with their demand that the Labor Government, under Prime Minister Jen Stoltenberg, recognize the nation of Palestine and implement a total boycott of Israeli goods and services.

A national and international political-educational campaign must be organized to expose the links between respectable electoral fascists and violent terrorists.

The Labor Youth martyrs of Utoeya Island should be cherished and their ideals taught in all the schools.

Their far-right enemies and supporters whether overt, covert or directly complicit, should be exposed and condemned. The best weapon against the renewed neo-fascist onslaught is a political and educational offensive, taking up the anti-fascist, anti-Quisling (Norway's notorious Nazi collaborator) fighting traditions of their grandparents' era.

It's not too late if the Labor Party, the Norwegian trade unions and the anti-fascist youth act now before the flood of resurgent fascism.

Chapter 5

Anders Breivik and the Zionist "War on Terror"

How did a young man raised in Oslo become a cold-blooded killer obsessed with a fear of Islam?

The atrocity committed by Anders Breivik is a manifestation of the hatred and fear of Islam promoted by the Zionists behind the massive fraud known as the "War on Terror".

Breivik is an avid Zionist whose motives were predicated on Islamophobia.

His ideological influences are libertarian and "neo-conservative."

He was playing his part, albeit as a loose cannon, in the "clash of civilizations." - Dr. K. R. Bolton, "Anders Breivik: Neo-Conned", 29 July 2011

The frightful atrocity of terrorism and mass murder committed by Anders Breivik in Norway has deeply shocked Scandinavians.

I have spent much of the past week reading and thinking about the atrocities and the young man from Oslo who carried out these heinous crimes.

The best analysis I have read thus far is Dr. K.R. Bolton's scholarly article entitled "Anders Breivik: Neo-Conned" published online in Foreign Policy Journal.

The fact that Breivik's twisted worldview is in complete agreement with the extremist Zionism of Israel's Likud party is ignored in the mainstream media reports.

The Norwegian and Swedish papers have reported that the primary focus of the investigation has been to determine if other people were involved in the shooting of the young people on the island near Oslo.

There were several eyewitness reports of a second shooter, a man with dark hair and about 180 cm in height.

The way that victims at the edge of the water appear to have fallen back, away from the water, seems to indicate they were shot from the water. One survivor from the island has reported that the shooter used a boat during the killing spree.

The young man in the following video named Morten (Mårten) describes (in Norwegian) the shooter changing out of his police uniform and going around the island in a boat shooting at people on the island.

In the video below Morten says the following (translated by Torstein Viddal) in response to the question whether he saw more than one person shooting on the island

It may be that people have mistakenly thought there were two people, because he was dressed as a policeman in the beginning, but at one point he is said to have taken off the police uniform and jumped into a small boat.

And then he is said to have gone around the island for one round.

Because during the shooting there was one pretty long gap between shots.

But I think I heard a boat, and it fits pretty well with the story I heard from the survivors from the cliffs.

So he went around in civilian clothes, I guess with lots of weapons in the boat, and he would wave to the cliffs to see if there were people hiding there, and when they waved back at him...he would come closer and pretend to help them, but then he just assassinated all of them instead.

There are clearly many unanswered questions about how this mass murder was carried out, and exactly who all was involved with Anders Breivik in the planning and execution of the atrocities in Norway.

When I first saw the photos of Breivik posing with a gun in a diver's wet suit I thought that he must have a military background.

Norway does have hundreds of elite troops and snipers fighting with the "Coalition of the Killing" and it seemed likely that Breivik had served with Norwegian troops in Afghanistan.

It turns out that Breivik did not serve in Afghanistan but he is, as Dr. K.R. Bolton writes, very much a product of the 'clash of civilizations'

Breivik is a product of the "clash of civilizations," formulated by neo-con ideologues and used by American and Zionist interests to philosophically justify the so-called "war on terrorism."

He is the product of a legacy that is anything but "conservative" in the Western historical sense he sees himself as an underground resistance fighter against the Islamic occupation of Europe, who, in other circumstances, would be honored as a war hero.

He sees Islamic laws and customs taking the place of Western laws.

Breivik grew up on the west side of Oslo, where I spent a couple winters in the 1970s.

Breivik was born in February 1979.

Norway was then a mono-ethnic society, unlike Britain, France, and Germany which have had significant Muslim minority populations for many decades. Immigration into Norway from non-European nations increased greatly in the 1980s.

Today, Norway is no longer a mono-ethnic society.

The new immigrants are found mostly in the larger towns, particularly in Oslo.

It is understandable that some Norwegians feel threatened by the sudden influx of new immigrants. Norway has long been a rather isolated country and has received very few immigrants during its modern history.

A very large number of Norwegians and Swedes emigrated to America and Canada in the 19th Century leaving Scandinavia with a significantly reduced population.

I have met intelligent Norwegians who have openly expressed a deep fear, like Breivik, that Muslims are seeking to take over Norway and Europe.

When I listen to them it seems to me that they have swallowed the rhetoric of the "clash of civilizations" -- hook, line, and sinker.

Breivik seems to be a person who believes every word of the anti-Muslim propaganda pushed by Hollywood and the Zionist-controlled media.

In Breivik's case, he committed an atrocity based on his belief.

He probably also believes that Muslim terrorists from Afghanistan destroyed the World Trade Center.

There were several Americans who went on shooting rampages after 9/11 believing that Muslims were responsible for the terror attacks.

It should be noted that Norway has 500 combat troops in Afghanistan.

Denmark has 730.

Sweden has 530.

I have written critically about the Norwegian and Scandinavian combat troops fighting in the fraudulent "War on Terror" in Afghanistan, where Norwegian snipers compared the thrill of killing to sex.

How does a nation like Norway, I ask, which suffered greatly under Nazi occupation, explain and justify to its peace-loving population why their supposedly peaceful nation is participating in an illegal occupation that is engaged in fighting and killing the people of Afghanistan?

A Norwegian sniper in Afghanistan

This is where contrived provocations like the anti-Muslim cartoons printed in Danish newspapers come in very handy.

In the wake of this blatant provocation the Danish people were forced to make a false choice whether their so-called freedom of speech means the Zionist-controlled media has the right to offend other religious communities.

As Daniel Pipes, the Zionist Neo-con framed it

Will the West stand up for its customs and mores, including freedom of speech, or will Muslims impose their way of life on the West?

Ultimately, there is no compromise.

Westerners will either retain their civilization, including the right to insult and blaspheme, or not.

The Muslims, who were deeply angered by the offensive images, were portrayed as trying to impose their values on the West.

The "freedom of speech" in Scandinavia does not apply to all religious groups equally.

It should be noted that the media outlets that published the anti-Muslim cartoons would not, for example, publish articles or cartoons that challenge Zionist claims about of "the Holocaust".

The real purpose of publishing the offensive cartoons was to create a false conflict by increasing social tensions between Scandinavians and Muslims.

The Breivik atrocity is a frightful manifestation of this artificially created "clash of civilizations", a false construct that has been imposed on the people of Norway and the West by ruthless Neo-cons to justify the Zionist "War on Terror".

Chapter 6

Time to Crack Down On Mossad Terrorism

State-sponsored terrorism is defined by Encyclopedia Britannica as the “systematic use of violence to create a general climate of fear in a population and thereby to bring about a particular political objective [and] is employed by governments — or more often by factions within governments — against that government’s citizens, against factions within the government, or against foreign governments or groups.”

On July 22, a bomb, said to be an Oklahoma City-type explosive device, crafted with fertilizer and diesel fuel, blew up in downtown Oslo, Norway, in the heart of the government district.

Shortly thereafter, a man dressed in a Norwegian police uniform opened fire on a Labor Party youth camp on the island of Utoya in Tyri fjord.

Access to the island was by boat only.

Over 100 people were killed in the twin terror attacks.

Almost immediately, the world's corporate media began pushing the story that those who were responsible for the blast and mass shooting were associated with "Al Qaeda" and other radical Islamist groups.

CNN's Washington, DC chief anchor Wolf Blitzer, a former spokesman for the powerful American Israel Public Affairs Committee (AIPAC) lobby and a correspondent for the Jerusalem Post, began his late afternoon program by pointing to "Al Qaeda" and radical Islamists as the chief culprits for the terrorist attacks in Norway.

CNN paraded out a number "experts," in actuality, propagandists for the Israeli agenda linked to neo-conservative outlets and the Pentagon's "terrorism industrial complex."

Before the cameras to advance the radical Islamist meme even as Norwegian authorities pinned blame on the attack on at least one perpetrator, a Norwegian named Anders Behring Breivik.

CNN constantly showed footage of frightened people in downtown Oslo running for their lives from the site of the blast, as well as still photograph of a pall of light-brown smoke over downtown Oslo.

Of course, CNN's intention was to evoke memories of the 9/11 attack in Manhattan.

Breivik, who sometimes anglicized his name as Andrew Berwick in his numerous web postings, was said to be a right-wing Islamophobe who sympathized with Zionism and who was a Freemason... Breivik was also reported to be a fundamentalist Christian but he adopted a stance against the Lutheran Church, the state church of Norway, and argued for a "collective" counter-reformation to return the Protestant churches to the control of the Vatican and the Pope.

Breivik lambasted the Lutheran Church and other mainstream Protestant churches, condemning "Priests in jeans who march for Palestine."

More incredibly, the London tabloid of Rupert Murdoch's scandal-plagued News International, The Sun, went to press with the following false headline

"Norway's 911 'Al Qaeda' Massacre."

On March 29, 2011, Harvard Law School's extremist Zionist Professor Alan Dershowitz penned a piece in the Murdoch-owned Wall Street Journal, a newspaper that actively discriminates against the hiring of non-Jews as reporters and editors in violation of U.S. civil rights and equal opportunity employment laws, in which he called Norway anti-Semitic.

Dershowitz cited as an example former Norwegian Prime Minister Kare Willock's criticism of President Barack Obama's choice of Rahm Emanuel as his chief of staff because he is Jewish.

In fact, Emanuel's pro- Israeli sympathies as a former member of the Israel Defense Force are what prompted many political observers in Washington and elsewhere to question his primary loyalty to the United States.

A network of Israeli bloggers pushed a claim of responsibility on a previously-unknown group called Ansar al-Jihad al-Alami (the Helpers of the Global Jihad).

The group's claims were picked up and run by several corporate media outlets and then pulled when it was discovered the claim was a hoax.

Mossad has a program to distribute bogus claims of responsibility for Islamist terrorist attacks via "Jihadist" websites that are actually operated by the Mossad and a network of "hasbaratchiks," Israeli and foreign Jews who act as propagandists on the web.

These hasbara (propaganda) agents and volunteers operate through such programs as Megaphone and GIYUS ("Give Israel Your United Support.")

After the attempt to blame the Norway attacks on Islamists failed, the "hasbaratchiks" shifted to "sock puppet" troll mode, posting comments on blogs that criticized allegations that Mossad and Zionists were behind the Norway attacks, emphasizing that such beliefs were "anti-Semitic" and wild "conspiracy theories." Some Israeli "sock puppets" even offered lunatic suggestions that Breivik was planted by Islamists to make Israel and Zionists look bad.

When the "Islamist" connection to the holocaust in Norway was shown to be non-existent after Norwegian security and police agencies began looking at the evidence, the corporate media switched its propaganda line from "radical Islam" being responsible to "far -right extremism" opposed to multiculturalism and immigration in Europe as the culprit.

Even outlets that in the past had been known for their independence from the corporate media line, including Al Jazeera and RT [formerly known as Russia Today], echoed the line that Breivik primarily represented right-wing opposition to Muslim immigrants in Europe.

Al Jazeera repeated the line that Breivik was a “lone madman,” the insinuation being that he was not linked to any wider network.

While Breivik certainly was associated with the far-right xenophobic elements in Norway, Europe, and North America, there was no mention by the corporate media of his admiration for such American Zionist Islamophobes as Richard Pipes and Pam Geller.

Geller led the bigoted anti-Muslim campaign against an Islamic Center near the site of “Ground Zero,” the former World Trade Center site, in lower Manhattan.

Breivik posted a number of his anti-Muslim and pro-Zionist screeds on the Norwegian website www.document.no, which is operated by Hans-Kristian Rustad, a Norwegian pro-Israeli journalist.

No corporate media outlets reported that the brand of far-right extremism of Breivik is closely associated with Zionist-supported far-right anti-immigrant political parties and movements in Western Europe, including the mis-named Progress Party of Norway.

The Dutch Freedom Party of Islamophobe Geert Wilders, the Sweden Democrats, Finland's True Finns Party, the Danish People's Party, the English Defense League, the Pro-Germany Citizen's Movement, and a pan-Nordic fascist terrorist group called "Nordiske."

Breivik also expressed support for the Tea Party in the United States...

The European anti-Muslim xenophobic network is linked to the notorious publication of Prophet Muhammad cartoons by the neo-conservative Danish newspaper Jyllands-Posten and Norway's Dagbladet.

The Euro-xenophobes are supported by the longtime Zionist Bernard-Henri Levy, the French philosopher who is a friend of French President Nicolas Sarkozy, and disgraced former International Monetary Fund managing director Dominique Strauss-Kahn.

It is noteworthy that Levy is one of the major backers of the Libyan rebels fighting Muammar Qaddafi.

Norway announced it was pulling its aircraft from the NATO campaign in Libya at the end of July.

Norway also announced its support for Palestine's sovereignty resolution in the UN General Assembly in September.

As more and more evidence pointed to Oslo being yet another example of a state-sponsored terrorist attack by Israel's Mossad.

The corporate media studiously avoided mentioning how the Norwegian government through its recent actions, had become a major problem for Israel and its allies abroad, especially on the Palestine sovereignty issue...

In addition, Norwegian police and intelligence are painfully aware of Mossad's past operations in Norway, including the infamous Lillehammer Affair in 1973.

On July 21, 1973, Mossad agents assassinated Ali Hassan Salameh, a Moroccan waiter in Lillehammer, wrongly believing he was the operations chief for the Palestinian terrorist group "Black September."

Norwegian police arrested the Mossad agents who killed Salameh and uncovered an intricate network of Mossad safe houses, phone numbers, and Norwegian sleeper agents for Mossad.

Just as was the case with the coordinated bombings of Madrid trains on March 22, 2004 and London buses and trains on July 7, 2005, viewed by European security services as being the work of not "Al Qaeda" but domestic "radicals," there was no link to Islamist radicals with the attacks in Norway.

However, there was every indication that the attack on Norway was intended to shake up the Norwegian population and damage the reputation of the left-of-center Norwegian government of Prime Minister Jens Stoltenberg.

The corporate media insisted that Breivik was solely responsible for Norway's worst violent attack since World War II.

Norwegian police reports that a second gunman, described as having "thick dark hair and a non-Nordic appearance," were suppressed in much of the corporate media.

The time line of the Oslo attack causes anyone's imagination to be stretched on being sold a "lone gunman/bomber" theory.

At 3:26 pm Oslo time a massive car bomb was detonated outside the office of the Prime Minister of Norway.

Since July 22 was a public holiday, there were relatively few people inside the Prime Minister's office or the surrounding offices of the Petroleum and Energy Ministry and the VG [Verdens Gang] newspaper, Norway's largest paper.

As police responded to the downtown Oslo blast, Breivik was said to have taken a boat the Utoya island dressed as a policeman and began opening fire on young members of the Norwegian Labor Party youth camp meeting.

The shooting allegedly began at 4:50 pm. Norwegian SWAT team "Delta" had trouble getting a helicopter started and struggled to find a boat to get to Utoya island.

The SWAT team finally arrived on the island at 6:20 pm only to find scores of the next generation of Norwegian Labor Party leaders dead.

Breivik calmly surrendered to the police.

When Breivik arrived on Utoya he told police on the island that he was there for a routine security check following the bombing in downtown Oslo.

Norway's Acting Police chief Sveinung Sponheim said the police were still investigating whether Breivik was acting with a larger network.

Sponheim's revelation countered the "lone wolf" theory advanced by corporate media outlets in Western nations.

Norway's coalition Labor-Socialist Left government has been seen as hostile to the interests of Israel and the United States.

There is now a widespread belief that the terrorist attack against Norway was engineered to shock erstwhile peaceful Norway, a nation where police generally still patrol the streets unarmed, into adopting the police state tactics of the United States, Israel, Britain, and other Western nations.

Norway's pro-Palestinian foreign policy also irked the Zionist and the far-right anti-Islamic factions in Europe and North America, as well as the governments of Israel and the United States.

In a move that complements American and Israeli propaganda that Norway has not stepped up to the surveillance state model imposed by other Western governments.

The suspicious WikiLeaks decided to release U.S. State Department cables from the U.S. embassy in Oslo that criticized Norway for not recognizing the "Al Qaeda" threat and maintaining an insufficient security apparatus to combat Islamist terrorism and Pakistani immigrants.

The Barack Obama-appointed U.S. ambassador in Oslo, Barry White, who is Jewish and received a 2005 award from the pro-Israel American Jewish Committee, complained that the Norwegian Police Security Service (PST) rejected two twelve-person British MI-6 intelligence surveillance teams to monitor an "Al Qaeda" cell in Norway.

Last November, the Norwegian government was shocked to learn that the U.S. embassy was operating a Surveillance Detection Unit in Oslo that was monitoring Norwegian citizens.

Norwegian Justice Minister Knut Storberget said he was not informed of the presence of the U.S. spy unit in Oslo, which employed retired Norwegian police and intelligence officials.

The Norwegian Data Protection Commissioner, Bjorn Erik Thon, said he had never seen such an intelligence operation in Norway.

White complained that Norwegian security officials were apathetic and incompetent in dealing with the Islamist "terrorist threat."

The failure of the Norwegian SWAT team to quickly respond to the massacre on Utoya may indicate that Norway's law enforcement and security networks and command-and-control systems had been interfered with by infiltrators with knowledge of the Norwegian systems.

Those retired police and intelligence officials working for the U.S. embassy's surveillance unit are likely suspects in sabotaging the Norwegian police reaction capabilities on 7/22.

Just 48 hours before the bombing in Oslo, police units were engaged in a terrorist bombing exercise at the Oslo Opera House, near what would later be "ground zero."

In addition, in the days before the terrorist bombing, there was suspicious sewer work being conducted in the area near the Prime Minister's office.

In March, the leader of the Socialist Left, Kristen Halvorsen, the Minister of Education of Norway and a former Finance Minister, called for military action against Israel if it attacked Gaza.

The Socialist Left and Labor Party, along with the Norwegian Peace Association and the Norwegian energy and telecommunications union, strongly support the Boycott Israel campaign, which includes backing the pan-European Boycott, Divestment, and Sanctions (BDS) committee and an embargo on arms sales to the Jewish state.

In August 2010, the Norwegian pension fund divested in two Israeli companies controlled by Israeli billionaire Lev Leviev, Africa Israel Investments and its subsidiary Danya Cebus.

Halvorsen had recently met with a delegation of American Jews who complained about Norway's "anti-Semitism," the tired and worn-out canard used by Zionists in confronting anti-Israeli sentiment around the world.

In January, Halvorsen and her husband, Christo Halvorsen, a producer for the Norsk Rikskringkasting (NRK) television and radio network, took part in an anti-Israel and U.S. march in Oslo where picket signs with phrases like "USA and Israel: Axis of Evil" appeared.

The Halvorsens and NRK were subjected to a vicious campaign launched by Zionists and the Israel Lobby in Norway.

Norwegian Foreign Minister Jonas Gahr Støre of the Labor Party has been criticized by the Israel Lobby and Zionists for comparing Israel's treatment of Palestinians to Nazi Germany's treatment of Jews.

Støre has also called for the demolition of Israel's "Separation Wall" that runs through Palestinian territory on the West Bank, a stance that has earned him enmity and hatred from Israel's government and their Zionist allies in the West.

Store paid a visit to Utoya before the massacre.

The Foreign Minister was on the island as some of the Labor Party youth were participating in a "Boycott Israel" demonstration.

The city of Trondheim was criticized by Israel for funding a trip to the UN in New York for Norwegian students to participate in a play called the "Gaza Monologues."

Israel also blasted Norway for distributing a film called "Tears of Gaza."

After Israel offered assistance to Norway, including forensic and medical assistance, as well as the evacuation of the wounded from the 7/22 attack, Norway declined the offer.

The rejection of assistance from Israel indicates that the Norwegian government was suspicious of the offer from Israeli Defense Minister Ehud Barak.

Other Israeli military teams in the West Bank have been accused of trafficking in human organs, an expose brought to light by the Swedish newspaper Aftonbladet in August 2009.

That same month, Israel's anti-Arab and anti-Muslim Foreign Minister Avigdor Lieberman accused Sweden and Norway of anti-Semitism, adding the outrageous charge that Norway was pro-Nazi, even though Norway's anti-Muslim and pro-Zionist activists were affiliated with neo-Nazi organizations.

On December 11, 2010, a suspicious terrorist explosion took place in downtown Stockholm, injuring two people and blamed on a Swedish-Iraqi suicide bomber.

The bombing took place two weeks after the Swedish media reported that a Surveillance Detection Unit, operated from the U.S. embassy in Stockholm, was spying on Swedish citizens.

In the past few months, the Mossad has committed blatant acts of espionage and possible other terrorist attacks against nations it perceives as pro-Palestinian.

During last year's devastating earthquake in Christchurch, New Zealand, a team of Mossad agents was caught in the city.

One of the agents died in the quake.

The Mossad agents were found with multiple passports and thumb drives believed to have been used to download sensitive data from New Zealand government computer systems.

New Zealand's Prime Minister John Key, who seemingly came from obscurity in New Zealand politics and whose Jewish mother immigrated from England, disregarded claims of Mossad espionage during the quake, even though he spoke to Israeli Prime Minister Binyamin Netanyahu four times on the day of the quake, after the dead Mossad agent was discovered by New Zealand police and intelligence.

New Zealand's Southland Times was criticized by New Zealand's Jewish community and Israel for promoting "conspiracy theories," the typical modus operandi for pro-Israeli Jews, known as sayanim and katsas, who are used by Israel abroad as propaganda and espionage agents.

Ironically, Key was meeting with Obama at the White House as the bombing and shootings were occurring in Norway.

Key was believed to have attended the homo-erotic annual meeting of a men-only fraternity composed of American and foreign political and business elitists at the secluded Bohemian Grove in northern California, a conclave that also saw the attendance of Israel's most notorious agent-of-influence in America, Henry Kissinger, who also serves as Obama's "special envoy" to the Russian leadership.

Key's Labor Party predecessor, Helen Clark, was the subject of criticism in leaked 2004 State Department cables from the U.S. embassy in Wellington for cracking down on a Mossad team's acquisition of forged New Zealand passports.

Once again, the cable leaks were courtesy of the suspect WikiLeaks operation.

One of the Mossad perpetrators, Zev William Barkan, who fled New Zealand to avoid arrest, had also been reported in the Cambodian capital of Phnom Penh, where he and other Israelis were producing pornographic and "snuff" movies, in which unsuspecting vagrants were murdered on camera.

In Egypt, Mossad agents have been accused by the present government of fomenting riots between Muslims and Coptic Christians.

A recent explosion of seized Iranian weapons and ammunition being stored at a Cypriot naval base, a blast that killed the head of the Cypriot Navy, remains suspicious.

The blast followed the decision of Cyprus's left-of-center government to recognize the sovereignty of Palestine.

The resulting public outrage over the blast resulted in the resignation of pro-Palestinian Foreign Minister Markos Kyprianou and a major political embarrassment for Cyprus's president Dimitris Christofias, a member of the Communist AKEL party.

Mossad is a master at false-flag terrorist attacks designed to alter perceptions and punish opponents of Israeli policy.

The fingerprints of Israeli intelligence are all over the 9/11 attacks on the United States, the 3/22 train bombings in Madrid, the 7/7 transit bombings in London, and, now, the 7/22 attacks in Norway...

While the Israeli-influenced corporate media has droned on and on about the dangers of Islamist terrorism, it is now obvious that the major threat to public safety comes from the State of Israel, a rogue nation that does not hesitate to murder the innocent to achieve its sordid political aims.

Conclusion

We hope you have enjoyed reading **The OzBoy File – The Truth About Norway Terrorist Attack.**

In less then 79 pages we have now proven what this fake “War On Terror” is all about, The Project For The New American Century, which America and the people behind the scenes hold the strings and control America, and most Western Governments and NATO countries.

Nazism from WW11 has now mortified into Zionism, by attacking Norway as they did all the main players, America, Israel, The Globalist, Zionist Jewish Bankers, The Military Industrial & Security Complex have all declared and shown their hands, and showed other countries and people of the World what will happen to us all if we don’t agree and go along with these people as they plan to rob, steal from our countries and take control of our countries.

We have tried to tell people for the last 10 years, since 11th Sept 2001 Terrorist Attacks, when the real perpetrators stole \$650 Million Dollars in Gold and Silver Bars from below the World Trade Center Bank, what this whole War On Terror was all about but nobody would listen.

Thank you the above people for doing Norway Terrorist Attacks, you have now proven beyond doubt who is really doing these Terrorist Attacks and what its all really about the fake War On Terror, we hope you have enjoyed reading this book.

The Project For The New American Century rolls along, the PNAC plan has three parts to it

- 1) America and partners will invade 60 countries all about the world and place their resources (Gas, OIL) Opium Trade In Afghanistan, Minerals under their control for the benefit of Multi National Corporations greed, The Zionist Jewish International Bankers, The Federal Reserve, Security & Military Industrial Complex, AIPAC The Jewish Lobby, Big Pharma, The Mainstream Media are just a few that control America, both political parties and the Congress, Senate via paying the politicians off.
- 2) America would force the world countries to join up with these World Unions e.g. EU, North American Union, Asian Union, African Union, Middle East Union, Pacific Union, South America Union, each Union would have their own currency, each Union would be played off against each other Union crashing each others economies, starting Wars with American Military Industrial Complex selling Weapons to both sides

Eventually all these Unions would fold and come together under 1 Union, a One World Order Government with America and Israel taking a major control of it.

- 3) Population reduction the world population stand at 6.3 Billion people, this figure would drop by 90 % killing off 90 % of the population world wide, America would release virus, biological weapons to countries, and corporations to use against the worlds citizens to reduce the worlds population down to a manageable size population for the One World Order Government to supervise – manage

It's a plan written by these neo-cons (New Age Nazi – Fascist Conservatives) most Talmud believing Zionist Jews, who have roped Christians in on the plan also.

Who REALLY Owns The Media In 2010?

"NOT A SINGLE NEWS ITEM will reach the public without our control," states the Protocols of the Learned Elders of Zion.

Protocols Of The Elders Of Zion Fulfilled!

<http://www.realjewnews.com/?p=163>

"Even now this is attained by us inasmuch as all news items are received by a few agencies whose offices are entirely ours and will give publicity only to what we dictate to them," the Protocols continue.

In other words, the mass media form for us our image of the world and then tell us what to think about that image.

According to the Protocols, the way in which the news is covered — which items are emphasized and which are played down — serve the interests of the media-masters, the Jews, and not the interests of the "Goyim."

Today, the Protocols are being practiced by an elite group of Jews who own America's mass media.

If you hear of major corporations listed as owners of the major television networks with Gentile sounding names such as "General Electric" or "Westinghouse," it is part of Jewry's ploy to place a blindfold over the eyes of the Goyim.

An open and shut case can be made that the media in 2010 is NOT "Corporate-owned," as so many fearful political analysts put it, but rather, "Jew-owned."

This author does not fear the Jews and needs no pleasing euphemisms agreeable to Jewish ears.

So long as the Jews control America's media they will control our politicians and the policies they make.

We will not be able to shut down the welfare system, control our borders, or restore Christian values to our society so long as the Jewish media-masters make Americans feel "intolerant" for wanting to do these things.

So long as the Jews funnel the information flow they will be able to keep Americans confused and divided so that we cannot regain command of our government by democratic means.

For in a "democracy," government control is offered to the highest bidder, that is, Jews with their billions of dollars.

And the issues that the American cattle vote on are those that the Jewish propagandists define so as to serve Jewish interests only.

JEWS WREST CONTROL OF NBC

IN A DEAL THAT GAVE COMCAST TOTAL CONTROL OF NBC on December 3, 2009, the cable company took 51% controlling ownership of the television media giant.

Partner to the deal, General Electric, managed to keep a subservient 49% holding.

In Comcast's press release of the takeover, the cable giant announced that Jeff Zucker, a Jew, was appointed the CEO of NBC Universal, of which, Comcast is now in charge.

The owner of Comcast is the Jew, Brian Roberts, whose supporting staff includes a host of Jewish media functionaries.

The Executives of NBC Universal, now a division of Comcast, is also, like its parent company, predominated by a cadre of Jews.

Roberts himself has acquired eminent "Jewish credentials" — being a graduate of the Jewish-intensive Wharton School of Business — and a winner of silver medals as a squash player at the 1981 and 1985 Maccabiah Games in Israel.

Adding to his Jewish HIGH profile, Roberts serves as Chairman of the National Cable & Telecommunications Association and as a board member of The Bank of New York.

No wonder, then, that Roberts holds awards from the Simon Wiesenthal Center, the United Jewish Appeal of New York, and the Anti-Defamation League of B'nai B'rith.

Perhaps this is why the Jewish Judge, David Tatel, ruled that Comcast has the right to cancel downloads in the recent net neutrality case.

MERGERS & MONOPOLIES CONFER JEWISH CONTROL

IN A LANDMARK MERGER ON MAY 4, 2000, Sumner Redstone — a Jew, born Murray Rothstein — took controlling interest in Westinghouse Broadcasting's CBC television.

The merger between Redstone's Viacom and Westinghouse Broadcasting's CBS network installed a new Board of Directors at CBS, mostly Jews, with Redstone as Chairman.

Redstone, probably the richest man in America, is currently the Chairman of both CBS Corporation and Viacom.

Not only does Redstone present the Jewish agenda on his media conglomerate as “public opinion” as outlined in the Protocols, he is also hell-bent on corrupting the morals of our nation via his MTV syndicated network, his Addicting Games, and his homosexual-lesbian TV station, LOGO, a division of MTV.

ROUNDING OUT THE LIST OF JEWISH MEDIA MOGULS, we find Jews in HIGH propaganda places, such as ABC, CNN, Newsweek, Time, Washington Post, NY Times, Wall Street Journal, and US News & World Report.

ABC is owned by the Walt Disney Company, with the Jew, Robert Iger, installed as President.

Sidney Bass, a Jew, along with his brothers, are the largest shareholders of The Walt Disney Company.

CNN is a holding of Time-Warner, of which, the Jewish Bronfman family has controlling interest.

Time Magazine is also owned by Bronfmans' Time Warner Corporation.

Newsweek and the Washington Post are owned by the Eugene Isaac Meyer "Graham" family.

Meyer, who worked for Lazard Freres Bank, where his father was a partner, later became the director of Woodrow Wilson's War Finance Corporation.

Hoover appointed him as Chairman of the Jewish-owned Federal Reserve in the 1930's.

Eugene Isaac Meyer gave birth to his heir, Katherine Meyer, who later took on her husband's surname, "Graham."

Her son, Donald Graham, is the current Chairman of all Meyer-Graham concerns.

Rupert Murdoch, a full-fledged Zionist, whose origins are Jewish, is the owner of News Corporation, whose holdings include the Fox News Channel and the Wall Street Journal.

The New York Times is owned by the powerful Jewish Sulzberger family, the major influence behind Columbia University.

Arthur Sulzberger Jr is the current Chairman of the newspaper.

US News & World Report is owned by the real estate mogul, Mortimer Zuckerman, who is a "higher education financier."

Making Gentile institutions, such as Harvard University, generators of Jewish academics to be installed in government propaganda chairs, is Zuckerman's apparent mission.

It all adds up to one thing.

Jews, who create "public opinion" for their own advantage, are the deans, directors, and dictators of Gentile actions.

The Protocols tells us so...

Protocols Of The Elders Of Zion Fulfilled!

THE PROTOCOLS OF THE LEARNED ELDERS OF ZION is a document which provides us with an understanding of why the world is moving towards a One World Government controlled by Jews.

It is not the purpose of this article to discuss the origins of The Protocols.

A simple Internet search will bring up 100s of sites to view.

Suffice it is to say that the record of 24 secret meetings of the Rothschilds in the 1800s with their "directives" have already realized their fulfillment.

PROTOCOL "DIRECTIVES" & THEIR FULFILLMENT

Protocol #9:10 - WE WILL CORRUPT THE YOUTH OF THE GOYIM (derogatory term for "Gentiles") BY REARING THEM IN PRINCIPLES WHICH ARE KNOWN TO US AS FALSE.

FULFILLMENT: Jews in control of the American Teachers Association are teaching homosexuality and lesbianism to elementary school students.

~ Jews who control the Media such as MTV & Homo TV LOGO are teaching the youth fornication and sodomy.

See: "ACLU Jews Promote Perversion In Schools"
And: "Jew Sumner Redstone' Runs Homosexual TV"

Protocol #12:4 - "NOT A SINGLE ANNOUNCEMENT WILL REACH THE PUBLIC WITHOUT OUR CONTROL.

All news items are received by a few agencies from all parts of the world.

These agencies will be entirely in our control and will give publicity only to what we dictate to them."

FULFILLMENT: Jews control the media in the USA, Canada, Great Britain, France, & Germany and Australia.

~ In America alone, Jews own CBS, NBC, ABC, Time, Newsweek, US News & World Report, Wall Street Journal, New York Times, Washington Post, etc.

See: "Jewish Media Moguls"

Protocol #14:1 - "WHEN WE COME INTO OUR KINGDOM IT WILL BE UNDESIRABLE THAT THERE SHOULD EXIST ANY OTHER RELIGION THAN OURS AS THE CHOSEN PEOPLE.

WE SHALL FORBID CHRIST.

We will sweep away all other forms of belief besides ours."

FULFILLMENT: Jews have waged war on Christianity beginning with the English Revolution, French Revolution, Bolshevik Revolution, Kosovo Independence, and in America, through their lie, "separation of church & state."

See: "Jews Are Finishing What They Started"

And: "Separation Of Church & State Is A Jewish Lie"

Protocol #16:7,8 - "WE SHALL CHANGE HISTORY.

We shall abolish every kind of freedom of instruction for the purpose of turning the Goyim into unthinking submissive brutes."

FULFILLMENT: Ivy League Colleges which were once Christian Seminaries are now inundated with Jews who carry with them their age-long Anti-Christian bias.

Harvard, Princeton, Dartmouth, and University of Pennsylvania, all have Jews as continual-running Deans.

~ Jews are in leading positions in the American Library Association, (Leslie Burger, President) & the American Federation of Teachers, (Ted Kirsh, President).

~ Publishing Houses such as Random House and Simon & Shuster, are owned by Jews.

Macmillan Publishing has as its CEO the Jew Richard Charkin who also served as Executive Director of Macmillan's huge Umbrella German Publishing House, Verlagsgruppe Georg von Holtzbrinck Publishing.

Jewry's Scheme For World Domination

Fulfilled Before Our Eyes...

GLOBAL CONQUEST IS JEWRY'S ULTIMATE GOAL.

In order to achieve this, international Jewry has taken control of banking, the press, the media, political institutions, academics, and the Military/Industrial complex.

Jewry's scheme for world domination has been carefully laid out in its manifesto, The Protocols Of The Learned Elders Of Zion.

According to the renown scholar, Dr Henry Makow, "The Protocols is the New World Order's blueprint - the Illuminati's master plan."

"Jewry's goal," Dr Makow continues, "is to overthrow Western Civilization through the destruction of its four pillars

- I.** Family
- II.** Nation/Race
- III.** Religion
- IV.** Democracy.

Dr Makow has also proven that The Protocols is a genuine document and not a forgery.

Much of The Protocol's agenda of destruction is taking place right before our very eyes:

- Manipulation of the economy through banking monopolies
- Manipulation of the educational system through falsifications of historical events
- Manipulation of the general culture through undermining Christian morality
- Manipulation of political systems through bribery and funding of selected political candidates
- Manipulation of social venues through crisis-events leading to suspension of civil liberties.

INTERNATIONAL JEWRY & MILITARISM

THE ISRAELI MASSACRE OF GAZA CIVILIANS is setting the stage for a global "militaristic" assault by worldwide Jewry on what is left of historic Christian civilization.

Because of the contrived agenda known as the 'war on terror,' the rogue state of Israel is utilizing its military prowess by collaborating with the West's military establishment.

Many joint ventures between Israel and international defense contractors are part of Israel's plan to fully 'globalize' their Zionist agenda.

And Israel's recent pact with NATO to "share intelligence and engage in joint military exercises," solidifies Jewry's scheme to dominate, by force of arms, the Western world.

"Anti Terror Training" is yet another venue for Jewry's scheme for world domination.

In September of 2008, The Anti Defamation League (ADL) sponsored such "training" by sending various local US police officers (all expenses paid for!) to Israel to learn from Israeli SWAT teams.

And recently, the collaboration between Israel and US defense contractor, CACI International, brought to light their mutual implication in the torture of Iraqi citizens at the infamous Abu Ghraib prison.

"STOP Zionism"

Zionism is the Nazism from the Second World War, The Nazis never died they just evolved into Zionist.
